

Parent Pick Up

For the safety of our students whether in Preschool or 8th grade, we ask that you follow this Car Line diagram to aid in the process of picking up your child.

Students will be outside their assigned door by 2:50 PM daily. Please pick up before 3:10 PM.

DOOR ASSIGNMENTS:

- Last names A-K will be at Door 4.
- Last names L-Z will be at Door 2.
- Preschool, Kindergarten and Bus riders will be at Door 1.

 Door 1 & 2 will follow the blue line.

 Door 4 will follow the yellow line

 There will be cones set up as your guide to know where cars need to stop for each loading zone.

We would like to load as many cars as safely possible. It will help if you stay off your cell phones, keep alert and keep cars safely (slowly) moving.

Thank you for helping us keep your children safe! We will make changes as we see a need. Suggestions are always welcome!

*We will allow students to walk around the OUTSIDE of the loop to their vehicle if they are in 4th - 8th grade. If they are younger, they must either walk with an older sibling or wait to be picked up at the door.
